LQ: Can I recognise changes in the toys I play with?

Steps to success

All - I know what type of toys I played with as a baby.

Most - I can recognise the difference between baby toys and the toys I play with now.

Some - I understand why I don't play with baby toys anymore.

LQ: Can I recognise changes in the toys I play with?

Today we are going to look at some toys you used to play with when you were babies. We are then going to compare them with the toys you play with now.

Wednesday 23rd September 2026
LQ: Can I recognise changes in the toys I play with?

TPs: What toys do you like to play with?

Stem Sentence:

I like to play with _____ because…

LQ: Can I recognise changes in the toys I play with?

Babies need to play with toys that are softer so they don't get hurt. Babies like to put toys in their mouth to bite and chew so you need to make sure the toys are not too small so they don't choke.

Wednesday 23rd September 2026
LQ: Can I recognise changes in the toys I play with?

We are going to decide what toys are for babies and what toys are for a child.

Baby

Child

Manually separate into each group.
