LQ: Can I explain what I already know about changes?

This half term we will be learning about 'Changes and abilities' and 'Black History Month'.

Changes mean to become different. You have the ability to change over time. Things that have already happened or have changed is called the **past**.

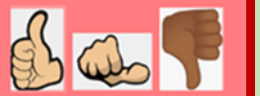
LQ: Can I explain what I already know about changes?

The past is something that has already happened.

The **past** might be long time ago like when you were a baby. The past can also be something that happened not very long ago like earlier today. The **present** is something that is happening now.

Self assessment
Do you understand what the past means?



Wednesday 9th September 2026
LQ: Can I explain what I already know about changes?

LQ: Can I explain what I already know about changes?

TASK

We are going to answer these questions as a class.

What couldn't you do as baby that you can do now?

Have you always been 5 or 6 years old?

What was your life like in the past?

What changes have happened in your life?
