LQ: Can I understand my rights and responsibilities?

Can you feel your tummy rise and fall as your lungs fill with air?

Do this several times. As you breathe out feel any worries or noisy thoughts float away over the hills and into the distance, like the sound of the chime.

Worries and noisy thoughts float away over the hills as you breathe in and out slowly and gently.

You feel happy and peaceful. Your mind is nice and calm and ready to learn.

3. If a teacher is talking, we must be listening.
4. If you have something to say, we put our hand up.

5. We have to stay sitting in our chairs. When we get up, we have to tuck them in.
