Literacy

Next week we will be looking at the story of `Kipper's birthday`. We will be writing birthday invitations. Please talk to your child about invitations: why people use invitations and what information is included in an invitation.

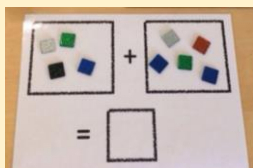

Polite Reminder

Ensure your child is dressed appropriately for the colder months approaching. Make sure they have a woolly hat, a scarf and a pair of gloves to keep their small hands warm.

Maths - Next week in Maths we will be learning about addition. Please help your child to understand the concept of addition. You can use any type of resources at home to practice addition. E.g fruit, spoons, toys, lego blocks etc.

Achievement Assembly

Well done to all the children who received a certificate. Keep up the great work!
