

Nursery Newsletter

Friday 24th January 2020

Hello, what an amazing week we have had making all different types of mini-beasts using different materials. Talk to your child about what they know and what they have learnt. Go for a walk and see what mini-beasts you can find.....Share your findings with us!

Important messages

As a reading school, we encourage our children to explore different books everyday.

If you have any books at home that you would like to donate to the school. It would be greatly appreciated.

We also encourage parents to ensure that books are returned in the reading record so that we are able to replace them. If a book is not with the reading record we will not replace it.

At home encourage your child to become independent.

Tidy their toys away.

Get dressed/undressed independently.

Feed themselves.

and say what they need and how they feel.

Thanks for your continued support!

Literacy

We will continue to share The Crunching Munching Caterpillar story, singing songs and rhymes that help the children to notice when some words have the same beginning or ending sound.

Creepy, colourful, crawling, caterpillar!

Maths

We will continue to develop counting skills with a focus on matching numbers to amounts so that the children who are counting in sequence know what the numbers mean.

Help your child at home by using counting in lots of everyday situations.

1,2,3.....there are 3

Next week we will continue looking at different shapes in the environment.

Shapes are everywhere can you spot them?

Blob, round, it's like a box, its pointy! They are big/little

Remember to use some of the ideas shared at the workshop!

SONG TIME IS BACK!

Come and join us singing some of your child's favourite songs.

Sessions for parents will continue each **Friday**. Thank you to all the Parents and Carers who came along

11.15am for Carle and Ross

3pm for Potter class

Talk to your child about the school motto song!

We would like to take photos for our website!

Communication and Language

Give your child opportunities to draw, write and paint what they notice, then tell you about it!

Communicating with your child is an enormous part of their learning and development. We encourage you to speak to your child in their first language at home.

Attendance w/e 17/01/20

Whole school: 94.6%

Carle: 90.8%

Ross: 91%

Potter: 90.8%

This week Ross Class were our winners!

Congratulations

The Government's expectation is that attendance should exceed 96.5%. We will be monitoring attendance weekly.

Please bring in pictures and any work that your child is doing at home!

If it 'WOWs' you it will 'WOW' us too! So share the moment with a wow note!
