Friday 14th February 2020

We hope that you have a lovely week, and we would like to hear all of the amazing things that you have done with your child. Feel free to bring us back some pictures!!!

When we come back we will be looking at growth and how things grow.

Important messages

Help them to notice when words have the same **beginning sound**.

Play 'Eye Spy' with your children it's a fun game where they will start to recognize initial sounds.

If you have any books at home that you would like to donate to the school. It would be greatly appreciated.

At home your child could also be:

Tidying their toys away and practicing pouring drinks

Getting dressed/undressed independently.

Feeding themselves,

and saying what they need and how they are feeling.

Thanks for your continued support!

School reopens on **Monday 24th February**

Literacy

During the first week we will be learning about ponds. We will support the children to notice information in print.

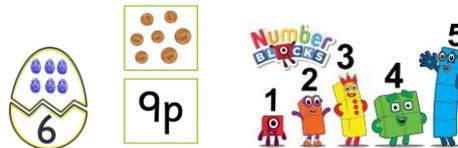

Help your child by visiting a pond, looking at books about ponds or searching the internet for information about pond life. What other information is in print?

Maths

We will focus on matching numbers to amounts correctly and try to use this skill at different times... When we see objects... when we do actions.

Communication and Language

Communicating with your child is an enormous part of their learning and development. We encourage you to speak to your child in their first language at home.

Can you help me? Can I have some please? Where does this go?

We also encourage parents to ensure that books are returned in the reading record so that we are able to exchange them.

We will ask Parents/Carers to replace lost or damaged books

Thank you to all those who supported the book fair. It was great to see so many families sharing our enthusiasm for books.. This will surely support your child's love of reading!

Please bring in pictures and any work that your child is doing at home! If it **'WOWs'** you it will **'WOW'** us too! So share the moment with a **wow note!**
