

# Reception Newsletter

Friday 14<sup>th</sup> February 2020

Thank you to all who came along to support the book fair. It was great to see so many of you.

Please remember to bring PE kits back after the half term. We would be very grateful if you could encourage your child to get dressed/undressed at home by themselves.

Volunteers needed!

We will be visiting the Lidl supermarket on **Tuesday 25<sup>th</sup> February in the morning**. Can you come along and help us?

Speak to the class teacher for details.

## Maths:

Next term we will be learning about estimation. Estimating is having a good guess at how many objects there are. Can you practice estimation during the half term? For example, when you go shopping with a grown up, can you try to estimate how many bananas there are in a bunch? Then count each item carefully, pointing to one at a time. What else can you estimate?

## Literacy:

Next term we will be learning about growing vegetables and fruits. We are going to visit a supermarket to explore the food sold there and make healthy soup. Can you taste a new fruit or vegetable you have never tried before? Why not plant seeds and learn about what they need to grow during the half term?
