

Dear Parents

Coronavirus (COVID-19) – updates and advice

I am sure many of you will have heard the latest announcement from Boris Johnson that schools in England will be closing from Monday, 23rd March for all children except those **of key workers and the most vulnerable.**

Activities will be uploaded for each year group on a weekly basis and this will go live from Monday afternoon.

The children will also have workbooks and other paper based project work to complete.

If you are a **'key worker'** and have no responsible person to look after your child, please let the school office know either by email or phone so that we can make **arrangements for your child if needed.**

Thank you for your continued support

Kind Regards

Mrs Jones
Deputy Headteacher
