

Winterbourne Nursery and Infants School
Reception Home Learning Pack
27th March 2020

Ask an adult to hide the numbers to 20 around your room, house or garden. See if you can find all 20 and place them in order 1 to 20. You could ask someone to tell you a number to find. Can you remember what the number looks like and find it?

Go for a walk or look out of your window with a grown-up and look out for any signs of spring. Can you draw a picture of what you saw?

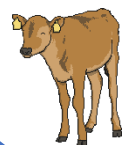

During spring, seeds begin to grow. In the story of Jack and the Beanstalk, Jack's beans grow into a magic beanstalk. Can you read or retell the story of Jack and the Beanstalk with a grown up and act out the story together?

Make a weather chart to show what the spring weather is like. You could cut out the symbols from the second sheet to stick on your chart, or you could draw a picture of the weather each day.

Draw a picture of a flower. Remember to draw some petals, a stem and some leaves on your flower.

During spring, lots of animals have their babies. Find out the names of these baby animals: duck, pig, sheep, cow and horse. Can you draw any of the animals?

Can you sing a nursery rhyme?
How many times can you sing it in one minute?

Can you draw an emoji face and tell a grown up how you feel?

How many different ways can you time one minute?

Spring Home Learning Challenge
