

# Winterbourne Nursery and Infants School

## Year 1 Home Learning Pack

27<sup>th</sup> March 2020

Ask an adult or your sister or brother to play a spelling game with you.  
Example: Can you spell  
Monday, Tuesday, Wednesday, Thursday,  
Friday, Saturday, Sunday.  
Can you see the common word in each of the days of the week?

Before school closed, we learned how to write an informal letter, write a letter to your brother or sister or cousin and tell them how you feel about not going to school.

Stand by the window and see how many cars can you see parked in your road or car park.  
Write the number down.

Write the numbers 1-20 in words.

What colour are they?

Write the numbers 1-50.  
Make sure they face the correct way.

What is the weather today? What was the weather yesterday?

Write a sentence to tell what the weather is, use; sunny, hot, cold, cloudy, windy, rainy, or still.

Before school was closed, we learned what a plant needs to grow healthy. Ask your adult to buy you some water cress(or get two plants from the garden), put one of them in a box so that it doesn't get light and the other on the window sill check after 5 days and see what the difference would be.

Can you find the personal hygiene words in the word search?

### Personal Hygiene
