Feel

Fill a bag with objects that feel different ... make sure the objects cannot be seen. Take turns putting your hand inside the bag and use words to say what each object feels like... Can your child guess what it is?

Go on a sound walk around the house/ garden..
Make sound using different objects in the home...

Can you make **LOUD** sound or a quite sound?

Can you make a sound that lasts a long time?

Get a selection of herbs and spices, flowers, soap, perfume ,or fruits.....Smell them with your child....talk about what they smell like and how they make you feel. What do they make you think about or remember? **SMELL IT!!!!!!**

Lemon

Chocolate

Make collections of items that are the same colour, size, shape.

Show your child a selection of things to eat or drink.

What do they taste like ? Which ones do you like the best? Why do you like it? Which ones do not taste delicious? Why not ?

Have a go at the senses song ! Just click the link
