

Winterbourne Nursery and Infants School  
Reception Home Learning

1st May 2020

Hello, everyone! We hope you are all well. This week we will continue learning about sea life. Here are some ideas you can try at home. We hope you find them useful. It will be lovely to see some photos of you trying the activities, if you can send them [office@winterbourne-inf.croydon.sch.uk](mailto:office@winterbourne-inf.croydon.sch.uk) Stay safe!

**Communication and Language:**

Listen to:

[https://www.youtube.com/watch?v=QX4j\\_zHALw8](https://www.youtube.com/watch?v=QX4j_zHALw8)  
What kind of sounds can you hear? What does it remind you of? How do these sounds make you feel? Can you discuss with your adult about the last time you went to the seaside? What did you see?

**Maths:**

Watch on YouTube:

<https://www.youtube.com/watch?v=k5wC5krH8xo>

This week we will be practicing addition. Can you add two amounts together? What is the total? Can you remember how to write the number sentence?

Example:  $1+2=3$

Can you practice different amounts?

**Physical development:**

Listen to the song:

<https://www.singup.org/singupa/home/song-of-the-week>

Can you copy the actions and sing the song? Can you video this?

**Literacy:**

Listen to the story of "Billy's Bucket" on YouTube:

<https://www.youtube.com/watch?v=h46WN31pIRk>

What did Billy see inside the bucket? Can you write a list of things that you might see at the bottom of the ocean?

**Understanding of the world:**

Look at the coral reef video on YouTube:

<https://www.youtube.com/watch?v=hHCCih9cHxw>

Did you know that a coral reef is an underwater ecosystem characterized by reef-building corals? They also help protecting many sea creatures and provide a home for them.

Can you identify any sea creatures that live in a coral reef?

**Expressing arts and design:**

Can you create an Ocean Box? Which sea creatures will there be? Don't forget to take a picture and send it to us so we can upload it on our school's website!

THE OCEAN BOX
