

Winterbourne Nursery and Infants School
Reception Home Learning Pack
10th April 2020

Happy Easter everyone!
Enjoy and stay safe and healthy!

Place some Easter eggs around your garden or inside your home and have an Easter egg hunt!

Decorate your Easter egg using repeated patterns! (boil eggs cool them decorate felt tips)

Write an Easter/Spring card for your family, class mates or your teacher. What message are you going to write?

Why not have an egg and spoon race with your family in the back garden or at the park? Who will last the longest?

Remember sharing is caring...

Do you share your Easter eggs with your family? Why? Why not?

Remember everyone needs to have the same amount.

Not everyone celebrates Easter. If you do not celebrate Easter, you can discuss with your adult which are the most important celebrations in your family and why.

You can listen to the Easter story on You tube to learn more about it.
