

How many Habitats?

There are lots of different habitats in this picture. How many can you spot? Remember, some will be big and some will be small. Useful website:

David Hockney- Views from his garden

Yorkshire artist David Hockney is at his house in France creating spring paintings which he has released. Many of these are done on his ipad so why not have a go and do some of your own?

Use anything you have: ipad, felt tips, crayons or paint.

Here is the link so you can see more of his work:

Geography - Draw what you can see from your garden or window and label your picture with the human and physical features. Here is a reminder on the differences-

Human Geography

Physical Geography

Minds in Bloom

If you were an animal, what would you be and why?

Writing activities - Don't Go

Watch the following short animated story about a family cat.

- Can you think of antonyms to describe the two characters?
- What adverbs can you think of to describe the actions?
- Create a world for the pink character.
- Devise a set of instructions on how to avoid being caught by a cat.
- Write a recount from the cats point of view.

Word of the Week!

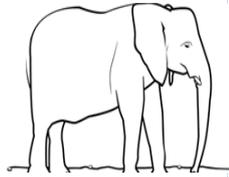

gargantuan

It means: Very large, massive, huge

Can you think of synonyms? (a word that means the same)

Can you think of antonyms? (a word that means the opposite)

Can you add a suffix to the root word? (-ly, -ness, -less, -ful, -ment)

Can you use this word in a sentence?

Click this link to play the 'Time Matching' game.

The aim of the game is to match all of the pairs of cards.

E.g. 1 day will need to be matched to 24 hours.

Use your inferencing skills to answer the questions below.

Dad

- What is the dad doing?
- Why is the girl standing behind him?
- Why is she dragging a kite on the floor?
- Has she said anything to him? Does he know she's there?
- How is she feeling? What is she thinking?
- Do you think this has happened before? Why/why not?

Watch the youtube song to help you tell the time to each 5 minutes. Work out what time each clock is showing below.

RAINBOW to 100

Practise your number bonds to 10, 20 and 100. Play 'Number Bond Ping-Pong'. Your grown-up will give you a number and you need to say the matching number bond as quick as you can.

Complete the number bond pattern below all the way to 100.

$$3 + 7 = 10$$

$$3 + 17 = \underline{\quad}$$

$$3 + 27 = \underline{\quad}$$

$$3 + \underline{\quad} = \underline{\quad}$$
