

# Winterbourne E.L.P

15.05.20

Hello, how are you? It has been good to speak with many of you on the telephone this week and lovely to hear about all the different activities that you and your children have been up to. Some of you have been having a go at the drama game and action songs that we posted, well done!

## Drama Games

This week we have added some more drama games. In the ELP we regularly do these

activities as they, build anticipation, encourage joint attention, provide opportunities for turn taking as well as giving those wonderful moments of smiles and laughter with your child!

Maybe you and your child could watch the games on our YouTube channel first and then have a go yourself. Your child already knows how to play these games; they are great favourites in the ELP.

Claire shows us, 'Blow Wind Blow'.

Fiona and friends demonstrate 'Sleepy Head'.
