Help your child to answer to remember what the book told us about water! Talk about what is happening!

Can you act like a sprinkler?

Can you act like a shower?

Can you stomp in the puddles?

Can you use your arms and legs to pretend to swim?

Can you act like steam?

Can you make your hands float to the ground like snowflakes?

Can you pretend your fingers are the rain?

Maths

Talk to your child about when you use water each day?

Do you know this song about the rain?

It's raining, it's pouring!

The old man's snoring!

He went to bed and bumped his head,

And he couldn't get up in the morning!
