

Reception Weekly Learning for 08-05-2020  
We can't visit the beach – but we can still learn about it!

Dear children, we hope you are happy and trying hard to be good.  
Parents – there is a video available explaining some of the activities on this sheet.

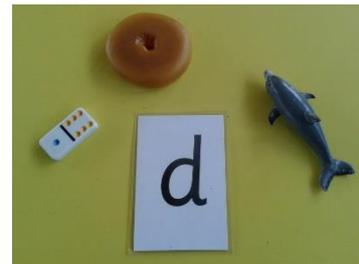

**Maths:** You might need to get a grown up to help you with this activity. Get a picture from an old magazine and write the numbers on. Now you need to cut the picture into strips. Then you need to muddle the numbers up. If you can put the numbers back in the right order then the picture will be fixed!

**Phonics:** Can you say the sounds for these letters? c, r, t, e, d, a

**Go and find 3 things that begin with t** – (like t-t-teddy) Please take a picture and send it so we can put it on the school website. Try and find things that start with the other sounds too.

**Writing:** Make a list of 10 things you can find at the seaside. Remember to use your sounds to attempt the words by yourself.

Here is a photo of my objects beginning with d

Storytime: Listen to the story about Kipper the dog at the seaside:  
<https://www.youtube.com/watch?v=7dCdT6tN3WY>

## Understanding the World:

- **Watch a visit to the aquarium:** <https://www.youtube.com/watch?v=Wcllqkthj8>  
How many different creatures can you remember?

## Physical Development:

Are you still practising doing up your buttons and folding your clothes? Remember to put the arms back the right way on your jumpers!

## Creative:

- **Do this cosmic kids yoga session:**  
<https://www.youtube.com/watch?v=LhYtcadR9nw>
- **Use a toilet roll tube to make this shark.**  
Make sure he has lots of sharp teeth!

Try collecting some leaves from your garden or when you are on your daily walk.

Place the leaves under a sheet of paper and gently rub wax crayons over each leaf until you can see the impression come through.
