Hello everyone! We hope you are all keeping well.

This week, we are focusing on 'Walking through the Jungle'.

We have added the story to our YouTube channel. Follow this link....

And then there is an accompanying song on this link....

We have also added a number rhyme about jungle animals playing on a spider's web, which the children are familiar with. If you do this at home, you could draw your own web and use any small world figures that you may have.

It's a good rhyme because it counts upwards from 1 to 5. So many other rhymes count backwards!

There are also 2 more stories from Bianca....

She is reading 'From Head to Toe', which your children know well and enjoy joining in with the actions!

She is also singing along to the story of 'Old Macdonald's Farm'. Look out for the unusual ending!!

Just check out the Winterbourne ELP YouTube channel and find all the stories, songs and activities on there!

Have fun and please let us know how you get on.

Stay Safe!
