Can you read the real and nonsense words with the 'ou' 'ow' phonemes?

yown 	cow
loub 	mouse
lowg 	brown
soud 	found
fowng 	crown
mouted 	loud
blowp 	owl
froum 	sounds

Click on the video to learn to read words with the ou/ow phonemes. Can you think of any other words with these phonemes in them?

<https://www.youtube.com/watch?v=ySRd-Amrd28>

Can you help Phonics Frog make it home?
Click on the link to play the game

<https://www.phonicsbloom.com/uk/game/phonics-frog?phase=5#>

Please share the story of The Rainbow Fish. If you have this story at home then please use the book. If not, please watch this video of the story.

<https://www.youtube.com/watch?v=BzZuS3ze-Ho>. Once you have read the story or watched the video, complete the activities below.

Oh dear! The sentences are all jumbled up and need fixing! Can you re-write these sentences correctly? Remember capital letters, punctuation and spellings!

teh fish livedid under the see

he haz beautyfull shinee scails.

a littl bloo fish askt four a shiny scale

the littl bloo fish luvved the shinee scale

Some writing activities for you to try:

- Can you describe Rainbow Fish? What adjectives can you use to describe what he looks like or his personality?
- What makes a good friend? Can you think of qualities that make a good friend? Are they helpful? Kind? Draw a picture and write sentences to describe your friend.

Art

Can you draw a different rainbow character? It can be any animal you like! You can colour it in, paint it or even make a collage.

Write a story about your new character. What prized possession will they share?

Maths

Counting in 5s Activities

**Play the Bubble Skip
Counting game**

<https://www.abcya.com/games/number-bubble-skip-counting>

Draw around your hands.
Paint or colour your handprints in and practice counting forward and backwards in 5s.

Can you continue the pattern? What number comes after 40? What is 5 more than 45? What is 5 more than 60?

What pattern have you noticed when you count in multiples of 5? What do these numbers end in?

1. Count in 5s and complete the sentence below.

The value of the dice is .

Science

We have been having a lot of rain recently and I have noticed that there are lots of snails about. Can you go in your garden and have a snail hunt? How many snails can you find? What can you observe and record about snails?

Click and watch the video below to learn more about snails:

<https://offschool.org.uk/super-science/hunting-for-snails-observing-and-recording/>

Once you've had a really good look at your snail, you can draw and colour them in then label all the different body parts. Use your observational skills to look really closely and carefully.

Have fun finding more snail facts!
