Hello everyone! We hope you are all keeping well.

This week, we are focusing on the book 'Driving My Tractor' by Jan Dobbins.

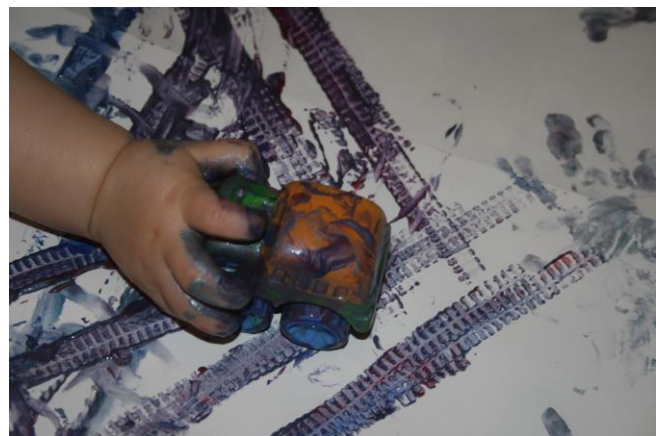

Charlene is singing the story on our Winterbourne ELP YouTube channel. Follow this link....

You could have a go at making tractor tracks in paint, rolling the wheels of different vehicles through a variety of colours.

If you have any farm animals, maybe you could get a tray and fill it with soil and grass and set up a farm, with vehicles and cardboard boxes for farm buildings. If you are lucky enough to have some outside space, then just take your farm play outside.

Or, as in this picture, use some cereal!

Model some imaginative play with your child, moving the animals and making the appropriate noises.

Have fun and
stay safe!
