Literacy

This week's text: **Sailor Bear** by Martin Waddle

Ask your Child what happens in different parts of the story.

Why did Little Bear go out to sea? Who did he meet in the story?

What happened at the end?

Can you tell the story to someone else?

What would you do if you were Sailor bear?

Maths: Positional language

Make a paper boat and put it to float **ON TOP** of some water in a sink. Then put something **INSIDE** your boat and see if it will stay afloat. What made your boat go **UNDER** the water?

The boat is **on top**.

The toy is **in** the boat.

The boat is going **under** the water

You can play games using words to say **where** objects are!

Inside, outside, under, beside, next to, in front of, behind, over, around, through, in the middle of...

Song Time: A Sailor went to sea

A sailor went to sea, sea, sea.

To see what he could see, see, see.

But all that he could see, see, see.

Was the bottom of the deep blue sea, sea, sea.
