

Home learning in Year 1

Timetable of suggested learning activities across the week:

Try these alongside the suggested activities we have provided to form your home learning day.

Day	Reading	Writing	Maths	Other
Monday	Read for 15 mins to an adult or older family member - write in your reading log Fiction	Write the alphabet on a piece of paper vertically A B... can you think of a food that starts with each letter? Write it on... change it to animals, fruit, cars, Disney characters...	Play Numbots and TTRockstars to practice your times tables Practice writing numbers forming them the right way round Can you write 1 more and 1 less than a given number? or 10 more and 10 less	PE with Joe Wicks. Watch Newsround and discuss what is happening around the World. Look out of the window - draw what you can see, nature, birds, plants, flowers.
Tuesday	Choose and read a book from: https://www.oxfordowl.co.uk/ Can you explain Who? Where? When? What happened?	Write a letter/email to a family member you have not seen for a while. Draw them a picture of what you have been doing, tell them how you have been and what you have been doing and ask them what they have been doing. Send if you can	Adding Can you add 2 numbers together? <ul style="list-style-type: none"> Use numbers to 10 Use numbers to 20 - a 1 digit number added to a 2 digit number 2 digit and 2 digit Record in number sentences	PE with Joe Wicks. Research another country, use a map or google Earth to find out where it is. Can you find out the name of that country's capital city? Make a poster about what you have found out. Plant a seed - it could be a seed from the inside of your apple!
Wednesday	Read something different in your house - comic, recipe, instructions on how to make something... draw a picture of the list of ingredients, final product or favourite character	Write a shopping list of what you might like your parents and carers to buy this week. Can you add an adjective or noun phrase? <i>Eg, six delicious, juicy apples...</i>	Subtraction Can you take a number away from another number? <ul style="list-style-type: none"> Use numbers to 10 Use numbers to 20 Can you find the missing numbers? Record in number sentences	PE with Joe Wicks. Bake! - biscuits, cakes or even try a pizza!
Thursday	Read a favourite book with someone from your family - act it out, which character will you be? How does the character act or feel during the book? Chat about the text you have read.	Practice writing your key words, draw the word as a picture, or break it into a pyramid to help you  M o n a r c h y	Division Choose a total or get lots of small apparatus, like dried pasta or lego Share this amount between a variety of numbers. <i>e.g. 10 lego bricks shared by 2 = 5</i>	PE with Joe Wicks. Watch a film with popcorn and with the lights out like a cinema.
Friday	Read a poem from https://childrens.poetryarchive.org/explore/ What is your favourite poem? Why? Talk to a family member about what you have read? Can you perform the poem?	Can you write a story? It can be about anything you like... maybe use the pictures on the other side as inspiration?	Play Numbots and TTRockstars to practice your times tables What shapes can you find in your house? are they 2d or 3d? Play snakes and ladders of another game	PE with Joe Wicks. Learn a new skill, like riding a bike, doing a handstand or skipping using a rope...
