

## **Behaviour Policy: remote learning appendix**

Whilst the majority of our pupils are not in school, we ask parents and carers to help children to follow all our expectations- set out below.

Parents should read this with their children and ensure that children understand what is expected. Parents should contact their class teacher or Ms Wiseman (SENCo) if they think their child might not be able to comply with some or all of the expectations, so we can consider alternative arrangements with them and support them with their learning.

### **Expectations for remote learning:**

- Attend the class morning zoom meeting on time, ready to listen, learn and join in.
- Seek help if you or your child need it, by e-mailing the class teacher
- Parents and carers, please be available to answer calls from the school. We will be calling regularly, so please let us know if you need support with any aspect of remote learning.

### **Ways to help your children access remote learning:**

- Download a copy of the weekly timetable and talk through the activities of the day.
- Take photos of your child doing the practical work and activities and upload to your class e-mail.
- Take screen shots of written or typed work and e-mail to your class teacher.
- If you are using work packs: return any written or paperwork promptly to school at the end of each week.

### **Dealing with problems**

If there are any problems with pupils engaging with the remote learning set for them, we will:

- Call you to see if there are issues with accessing learning that we can support you with.
- Offer support in terms of additional data or internet access.
- Address the learning needs of specific children through increased phone or zoom call support.

It is vitally important that we retain good contact with all our families during this period of remote learning. If we do not see you at our class meetings and cannot contact you on consecutive days, we will visit you at home with the support of our Educational Welfare Officer.

### **Monitoring arrangements**

We will review this policy as guidance from the local authority or Department for Education is updated, and as a minimum every 3 to 4 weeks during term time by the SENCo and Headteacher. At every review, it will be approved by the full governing board.
