New way of learning

We hope that you are all well and adjusting to the new way of working this term. We realise it is a very anxious time for everyone but please be assured that the staff at Winterbourne are all here to help you through this difficult time.

Remote Learning Messages

Zoom Meetings – Our daily zoom meetings will now begin at **8.45am**. These meetings serve as our register. It is an opportunity for your child to speak to their teacher and peers. This meeting will last for a maximum of 10 minutes, so please be prompt.

Teacher phone calls – From next week your child's class teacher will be conducting weekly wellbeing phone calls. These calls will come up on your phone as a private number or the school's number.

Children's learning – Please send in pictures of your child's learning to their class teacher. It is still our job to assess their learning. Even though the government SATs have been postponed, we are still providing end of the year levels for your child through our teacher assessments.

English

Next week we are continuing to look at the story 'Toby and the Great Fire of London'. We will be planning and writing diaries in role as Samuel Pepys and Toby.

Words of the week

tremendous

This means: very great in amount

waterproof

This means: something that keeps water out.

Maths parent workshop

Thank you to the parents/carers who attended our workshop on Wednesday. We hope you found it helpful!

Maths

Next week, we are going to learn how to divide by sharing and grouping. We will be dividing by 2s 5s and 10s.
