As your daughter has been going to Winterbourne Nursery and Infant School – I would urge you to choose Winterbourne Junior Girls as your first option since, on application, the girls get priority admission to the Winterbourne Junior Girls' School.

Our track record over the past 6 years is second to none. We have been awarded an overall Good grading by Ofsted Report, where we gained **Outstanding** for Personal development, behaviour and welfare and Outstanding for the Effectiveness of leadership and management.

The report states that: "Leaders have created a culture where staff are keen to improve and so reflect on how effective their practice is and how to make it better."

"The school's work to promote pupils' personal development and welfare is outstanding."

"Pupils are exceptionally keen to learn. They are resilient and do not back away from the unknown or a challenge. They believe they can achieve success if they work hard. This results in exemplary behaviour in lessons."

"Relationships between adults and pupils are very strong and underpinned by trust. Pupils talk of 'telling a trusted adult' if they have a concern. They have faith that adults will keep them safe."

All clubs and trips (including residential trips) are free for our children who receive the Pupil Premium Grant.

Winterbourne Junior Girls' School has gone from strength to strength in all core subjects and is the **top** performing school for writing in Croydon.
