Inspire - Learn - Be Proud

Half Term!!!

Firstly, we would like to thank all of our parents for your hard work during this first half term, you have worked really hard to ensure that your children continued their learning by accessing our remote learning provision.

So I think that it is fair to say that you deserve a break.

Yeah it's half term. During this half term we have provided some fun activity packs to keep the children busy, you can come and collect a pack from the school office.

You can also access some wonderful online activities from Sutton African Caribbean Cultural Organisation, from the link below which includes, storytelling, art and comic design and many more!!
