Maths

We have been making sure that when we recite to 10 that we say all the numbers in the correct order. We have also tried to count 10 actions or movements saying one number for each action.

10 jumps

10 claps

10 giant steps forwards

10 tiny steps backwards

1,2,3,4,5,6,7,8,9,10

Literacy

We have been looking at print everywhere .
What does it mean? What is it for? Why is it important?
Do you know what it says?

Thank you to all the Parents and carers who gave us feedback on our provision. Your thoughts are valuable to us.

We have loved seeing some of the learning that the children have done at home!

Please continue to send this to us via the class email.

You are a **Super star** if you have sent work already.... Well done!!!

The last day of this half term will be on the Friday 12th February.

What do you know about
Chinese New Year?

Can you draw a dragon?

What is your dragon called? What can he do? Show someone how he
moves!

Don't forget to keep practicing writing your name! Here is an alphabet mat so that you can practice writing the letters in your name.

Can you write a special message to someone using some of the letters?
