

31st March 2021

Dear parents/carers,

As we reach the end of term, I would just like to take this opportunity to express my pride and admiration in how brilliantly everyone in our school community is working together in the face of the immense changes to our lives that the battle against the Coronavirus Covid-19 pandemic has caused.

It has been wonderful having all the children back in school and they have settled back in to their routines really quickly.

I would also like to thank all of our parents for being so supportive and patience. I know it is taking longer to drop off and collect your child due to the one way systems and social distancing that we have in place. You have been amazing!
