

It has been great to see some children returning to face to face teaching.

Children are to return to School on the 8th March

This half-term we our topic is.....

‘Why can’t I have chocolate for breakfast?’

Last week we looked at breakfast. Talk to your child about the meals they have throughout the day, what time do they eat and what they are the meals called.

Literacy

Next week the focus text is: Lunchtime
by Rebecca Cobb.

What does your child eat at lunchtime?
Ask your child what their favourite foods are.

Maths

We will be representing numbers in different ways. Ask your child to show you three fingers, or draw three dots & pass you an amount of items.

World book day!

As always the children made such a
magical effort dressing up as their
favourite book characters!

We had fun doing the Conga! Just like the
story Kitchen disco!

We have loved seeing some of the learning that the children have done at home. Please continue to send this to us via the class

email.

You are a **Super star** if you have sent work already...

Thank you!!!

The children will be learning different ways to represent numbers, by using their fingers, marks on paper or pictures. Here are different ways of representing numbers.

Have a go at signing numbers to 10!

Can you say the numbers in order?
