

Reception Newsletter

Friday 5th March 2021

We would like to thank all of you for your support throughout home learning. It has been lovely seeing how well our children have been able to adapt to online learning. We have missed the physical interaction with them and are looking forwards to receiving them back into class on Monday 8th March 2021.

Please note that school will start at the usual time 8:45am and end at 3:25pm.

Next week we will be assessing our children in reading, writing and number and phonics.

This will enable us to identify any gaps.

Important messages:

P.E Kits:

Children do not need to bring their P.E. kits to school this term. They just need water in a named bottle, their coat, their book bag and they should return any school books.

Science week:

Next week is Science week. We will continue to learn about farm animals and observe the different plants in our secret garden.

We would encourage you to talk about plants in our environment with your child and if possible plant a seed in a pot and let your child take care of it and watch it grow. They can take photographs to show how the plant is growing. You can talk about what the plant needs to grow healthily.

On Monday after you drop your children off we remind you that we cannot stop to chat - even though we would love to catch up with you! Any questions will need to be sent by email to the class teacher. We then need everyone to follow the one-way system and leave the school area - to keep everyone safe.

If you want to get in touch with your child's teacher, please email:

Donaldson class
donaldsonclass@winterbourne-inf.croydon.sch.uk

Hargreaves class
hargreavesclass@winterbourne-inf.croydon.sch.uk

Seuss class
seussclass@winterbourne-inf.croydon.sch.uk

Achievement Certificates
