English

Next week in English we will be looking at images within our 'Enchanted Woodlands' topic. We will discuss these images and think of adjectives, nouns and verbs that are related to the pictures.

How you can help at home:

Go on a walk around your area. Can you describe the different things you can see, hear and smell? Encourage your child to use adjectives, verbs and nouns when they are describing this to you.

Maths

Next week in Maths we will be naming and identifying shapes. We will then look at our number bonds to 10 and 20.

How you can help at home:

Go through your number bonds to 10. How many can you remember? Can you write them all down in 2 minutes?
