Each Friday we have an achievement assembly where the class teacher chooses two children who stood out because of their amazing learning, behaviour or values.

This week's stars of the week are:

All of year one

We are so proud of the hard work the children have done throughout remote learning. They have had wonderful attitudes since their return to school and have shown positivity and excitement towards their learning at school.

Attendance

We will continue to monitor attendance. The class with the best attendance each week will receive the attendance cup!
