## R.E

Next week we will be learning all about Easter. We will explore the Easter story and look at the different traditions that happen at Easter. We will also be taking part in different Easter activities.

### How you can help at home:

Have a discussion about the different traditions and celebrations that happen in your household. What are the similarities and differences between them and Easter?

## Maths

Next week in Maths we will be looking at solving addition and subtraction word problems. We will identify the important information and use this to help us write our number sentences.

### How you can help at home:

Can you create your own Maths word problems? See if you can use the words "left" and "remaining" for subtraction and "in total" and "altogether" for addition.
