Literacy

Next week we will be reading the non-fiction book 'Mad about Minibeasts!' - this will help us to read books to find out information. Please encourage children to carry on finding out information about minibeasts.

It has proved to be such a popular topic that we will carry it on for a few weeks into the next half term!

Maths

In maths, we will be learning to find number patterns including doubling and halving.

Listen to this song about doubles.

Vocabulary: forwards, backwards, minibeasts, habitat, same, different, half, double, more, less

REMINDER: School photograph Day is Wednesday 26th May and

Thursday 27th May.

Please keep your child's reading book and yellow reading record in their school bag every day. We ask you to read the book with your child and write a comment in the reading record when it comes home for the weekend.

Weekend Challenge!

It will help with our children's handwriting if they build up strength in their arms. An excellent way to do this is sweeping, hoovering, carrying their own bags, and playing with equipment in a playground.

To keep everyone safe please remember to keep 2 metres apart while you are waiting outside or on the school premises and adults please wear a face mask.

If you want to get in touch with your child's teacher, please email:
