We are focusing on the question:

What is a Shadow?

We began to explore shadows, make shadows and ask questions about shadows during our

WOW day!

What are they like? Are they always black?

What shape are they? Where do they come from? How can we make them?

Attendance

Carle class: - 95.5%

Potter class: 91.1%

Literacy

We shared a story called
My Shadow

By based on a poem by
Robert Louis Stevenson

The children were learning to use
'Why' and 'How' questions mostly
about shadows...

Remember that we use questions
when we need to

find out something.

They were **listening** carefully
to **hear** and then **say** some
initial sounds in words...

What **sound** do these things
begin with?

Maths

We have practiced

counting in order to 10

saying the numbers in different
voices

Quiet....**LOUD!!!!**

s..l..o..w....

=====fast!!!!

but **always in order** and

always starting at 0 and in
order to 10

0,1,2,3,4,5,6,7,8,9,10

We even counted **actions!** I wonder
how many **actions** you need for **each**
number?????????
