

Reception Newsletter –Friday 18th June 2021

This week has been **Refugee week**. The children have learnt a little bit about what 'refugee' means, and today we are celebrating our cultural diversity.

We will be moving on to our final half term's topic this week – **'What is a reflection?'** This will allow children the opportunity to explore reflections, mirrors and water in Science. We will also look at the idea of going **Through the Magic Mirror** which is an opportunity for creative work.

Maths:

Next week we will be learning about measures. We will be comparing objects by height.
