

Year 1 Newsletter

Friday 25th June 2021

Reminder

If you have any questions or queries, contact your class teacher on:

Browne class: Browneclass@winterbourne-inf.croydon.sch.uk

Kerr class: Kerrclass@winterbourne-inf.croydon.sch.uk

Rosen class: Rosenclass@winterbourne-inf.croydon.sch.uk

English

Next week in English the children will be introduced to the text '**Man on the moon**' (**a day in the life of Bob**) by Simon Bartram. They will write questions for Bob and find out about his life and his hobbies. Later in the week the children will pretend to visit the moon as a tourist and write a recount about their trip.

How you can help at home:

You can support your child by doing some research about astronauts and the moon and write some questions about what life might be like in space and on the moon.

Maths

Next week in Maths the children will be introduced to ordering numbers up to 100 from least to greatest and greatest to least. We will also be looking at number bonds up to 100. Here are some examples:

Ordering Numbers in 10s to 100

35	90	45	85	5
15	75	10	95	40
60	20	25	70	45
100	55	30	80	50

Missing Number Bonds of 100 Jigsaw Worksheet

Write in the missing number to make each space add to 100.

50	C	C
25	C	C
C	72	C
13	C	C
C	C	43
C	C	60
C	C	31
C	C	98
C	C	84
C	C	19

How you can help at home:

You can help your child by encouraging them to count, read and write numbers up to 100 and use the vocabulary **least** and **greatest** so they understand the meaning and become familiar with the words.

Sounds of the week

Next week the children will continue to learn alternative pronunciation of graphemes.

a - band, splash, acorn, apron, want, was, wander

y - yes, yak, dry sky, gym, pyramid

ch - chop, pinch, chorus, chemist, chef, machine

ou - proud, shout, should, group, shoulder, boulder

They will learn to read the tricky words:

many laughed because different any
eyes friends once please

Words of the week

English: Expert

A person with a special skill or knowledge of a subject.

'Aisha was an expert at solving maths word problems.'

Science: opaque

Opaque objects block light travelling through. Most of the light is either reflected by the object or absorbed and converted (changed) into thermal energy.

Some examples of opaque materials are: stone, metal, wood, plastic and ceramic

Winterbourne

Nursery and Infant School

Homework - English

Year 1 Common Exception words

the	his	go	ask
a	has	so	friend
do	I	by	school
to	you	my	put
today	your	here	push
of	they	there	pull
said	be	where	full
says	he	love	house
are	me	come	our
were	she	some	
was	we	one	
is	no	once	

Encourage your child to read and write the Year 1 common exception words correctly in readiness for Year 2.

Help your child to complete pages 38, 39 and 40 in their English homework book.

Homework- Maths

Help your child to complete page 20, 21, 22, 23, 26 and 27 in their Maths homework book.

Encourage your child to count, read and write numbers from 1-100 correctly before they start Year 2.

Attendance w/e 18/06/21

We will continue to monitor attendance. The class with the best attendance each week will receive the attendance cup!

Kerr Class -95%
Browne Class -82.8%
Rosen Class -90.2%

Well done to class Kerr who achieved the best attendance last week!

School Matters!

Thank you

We raised £214.95 for World Refugee Day

Junk Model

We kindly ask if you could save your recycling materials (not toilet roll tubes) and bring it into school as the children will be using them for making models in Design and Technology. Please hand it in to the class teacher on Monday 28th June.

We now have Twitter and Facebook!

As a school we aim to keep you up to date with the children's learning, school updates and things we are doing in the community.

Please add us on twitter. Type into the twitter search bar '@NurseryInfants' then click 'follow'.

Please add us on facebook. Type into the facebook search bar 'Winterbourne Nursery and Infants School' then click 'follow'.
