

# Winterbourne Nursery and Infants School

## Enhanced Learning Provision

Week beginning 5.07.21

This week we are back on earth and off to the farm! We will be sharing a book called Driving my tractor by Jan Dobbins and David Sim. If you go on YouTube there is a lovely animated version of the story that your child may enjoy.

We will play parachute games with farm animals and will be making seed collages and woolly sheep. We are focusing on snipping and cutting with scissors and will make cheeky playdough chicks.
