English

Next week in English the children will be using adventurous language to describe the characters in the story. They will practise orally rehearsing sentences and writing down all of the words in the correct order using capital letters, full stops, finger spaces and conjunctions.

How you can help at home:

You can support your child by writing sentences about a character from a book. Can you describe them using exciting adjectives? How can you describe their appearance and their personality?

Maths

Next week in Maths the children will be introduced to time. They will learn to tell the time to the hour and half past the hour. They will learn the vocabulary associated with time.

How you can help at home:

You can help your child by using an analogue clock to tell the time to the hour. Ask questions such as: What time do you go to bed? What time do we have breakfast?

Sounds of the week

Next week the children will continue to learn alternative pronunciation of graphemes.

ey - they grey, obey, survey

e - he, she, we, me, be

ie - chief, field, brief

They will learn to read the tricky words: **saw**, **make**, **an**, **off**, **here**, **time**, **made**

Words of the week

English: explain

To give a reason or provide more detail to make an idea clear.

'I will explain how to make a cake.'

Science: stretchy

Some examples of stretchy materials are: cloth, balloons, rubber bands, hair scrunchies.

Can you find any other materials in your house that are stretchy?
