

**Enhanced Learning Provision
Bond and Milne
Week beginning 10.1.22
Hello!**

We made a good start last week in learning to participate in a drama game with one other person. We will be continuing this week acting out the story of Humpty Dumpty. We will also be focussing on knowing the names of different parts of our bodies. To support this, we will be building Mr Potato Head and making playdough Humpty Dumpty.

We will also be singing songs such as, 'Head shoulders, knees and toes' and 'If you're happy and you know it'. Maybe you could sing these songs at home and make a game of naming different parts of the body as you help your child dress or getting ready for a bath.

We will also be focussing on 'happy' and 'sad' and supporting your child in understanding what that looks and feels like!
