Dear Parents/Carers

Appointment of permanent Headteacher – Mrs Petra Wigzell-Jones

The Governors are delighted to announce that following a comprehensive recruitment process, Mrs Petra Wigzell-Jones has been appointed as the substantive Headteacher of Winterbourne Nursery and Infant School.

As you are aware, Petra has been Acting Headteacher at Winterbourne since February 2020 and during this time has orchestrated strong positive changes in addition to steering the school through some significant challenging times such as the recent pandemic.

Feedback from internal and external stakeholders has been positive and we, the governors, believe we have made a strong appointment and that she is the right candidate to continue our progressive journey towards becoming an outstanding school where we encourage our children to Inspire, Learn and Be Proud!

We hope you will join us in congratulating Petra as she continues to take the school forward.

Kind regards

Patricia Salami

Chair of Governors
