Why is Water Wet?

This term the children are exploring water. Our WOW day was amazing! We had several water stations, where children explored water. They investigated how we can change the texture of water by adding soapy liquid and when we add ingredients such as icing sugar and cornflour.

We also decorated biscuits, creating our very own 'Ocean Biscuit'. The children independently made their icing and added blue food colouring and created waves on their biscuit.

Thank You Note: to all parents who contributed to our 'Eid Party' to make it a huge success. Children and staff had a very enjoyable time and pictures will be on the website to view.

Important messages

PyJamarama Day

Friday 13th May

Children to come in suitable nightwear.

The children will engage in a number of reading activities and book sharing.

Achievement awards

We will continue awarding children certificates weekly so look out for who will be

Star of The Week and give your child praise and support. even if they do not get the certificate.... You can fill in a WOW note if they do something great at home for the first time!

Attendance w/e 29/04/22

Carle – 84.4%

Ross – 90%

Cooke – 92.3%

Potter – 89.6%

Book of the Week

Questions to ask your child ...

On whose door did the Penguin knock on?

How did the Penguin feel?

What happened at the end of the story?

Challenge!!!!

Use the materials and recycling packaging you have at home to make a boat that can FLOAT.

- ✓ Think about what you need.
- ✓ How will you use it?
- ✓ Test your boat (does it float or sink)

Next week we will be thinking of ways to **SAVE WATER**. Talk to your child about what ideas they may have.

Make a poster to display ideas, remember parents we value any form of mark making and you may scribe at the bottom, your child's voice.
