Self Assessment

Do you know what art is?

Graffiti Artists

Although not all graffiti artists find fame, these names have become known as they have developed a distinctive style, making them stand out.

Banksy and **Maya Hayuk** are two well-known street artists.

TPs:

Can you name any graffiti artists?

What stands out about these pieces of street art?

Banksy

A lot of Banksy's work is done using stencils. Banksy is very famous but nobody knows his true identity, as he keeps it a secret.

His work is often political or humorous. He uses art to expresses his own opinions.

Tps: What do you think he was trying to express in this piece of art?

*banksy graffiti street art what are you looking at? by Banksy - licensed under CC BY 2.0

Banksy

His work appears in public places; this has caused controversy, as he uses illegal graffiti sites to showcase his work. His art is admired around the world but, at the same time, he is breaking the law.

TPs: Do you think this art is vandalism (damaging public property)?

"Banksy" moufie
