Recap

TPs- What is an aerial view?

An aerial view is the viewpoint seen from above. This is also known as a birds eye view.

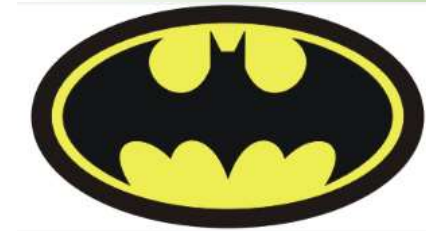

LQ: Can I identify symbols on a map?

Monday 4th March 2024

Today we will be looking at maps and identifying symbols.

TPs- Do you recognise these symbols?

Symbols help us to identify things.

LQ: Can I identify symbols on a map?

Monday 4th March 2024

TPs- What are map symbols?
Where do we see map symbols?

A map symbol is used to represent and identify features on a map. They are used to help us understand what things are such as school, shops, hospitals, roads, parks etc.

LQ: Can I identify symbols on a map?

Monday 4th March 2024

Let's find out more about map symbols and how to follow a map.

LQ: Can I identify symbols on a map?

Monday 4th March 2024

Maps are too small to contain lots of writing; instead, symbols are used to represent real-life features, such as roads, buildings and important landmarks. This makes the maps easier to read.

Let's take a look at these symbols.

Hospital

School

Restaurant

Train station

Supermarket/
shops
