

Monday 11th March 2024

LQ: Can I identify the basic needs for animals to survive?

Steps to success:

All: I know that all animals have basic needs they need in order to survive.

Most: I can name the basic needs animals need to survive.

Some: I can explain why animals need food and water in order to survive.

Our Science Learning Journey

Key vocabulary:

Animals

Lifecycle

Survive

Carnivore

Herbivore

Omnivore

Growth

Basic

Needs

Survive

Identify what I
already know
about animals

Identify the
basic needs for
animals to
survive

Identify the
growth of
animals

Compare animal
lifecycles

Use
observations
to answer
questions

Identify what I
have learnt

Basic Needs

Growth

LQ: Can I identify the growth of animals?

Recap:

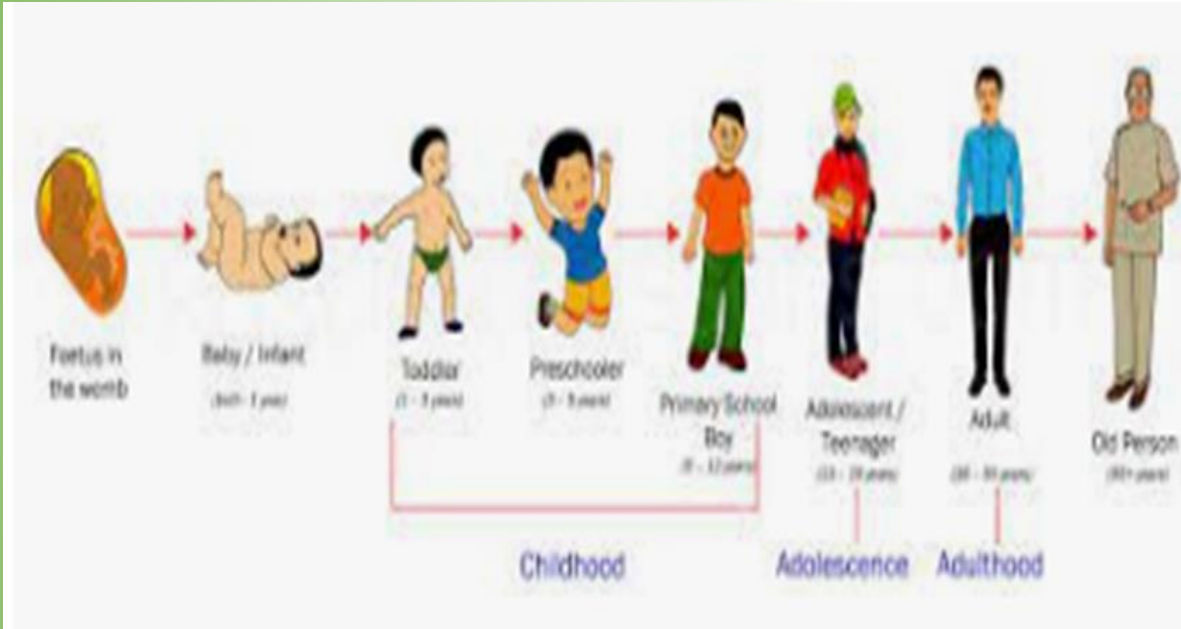

What's the scientific name for the stages of growth animals go through? Name the animal groups that give birth to live young. Name the animal groups that lay eggs. What's the scientific name for the stages of growth animals go through?

This week we are going to be learning about what animals need to survive.

<https://www.bbc.co.uk/bitesize/articles/zvpgrj6>

Can you name me the different stages of the human lifecycle.

TPS: Think about the things you do everyday. What do you think humans need to survive? What can we not live without?

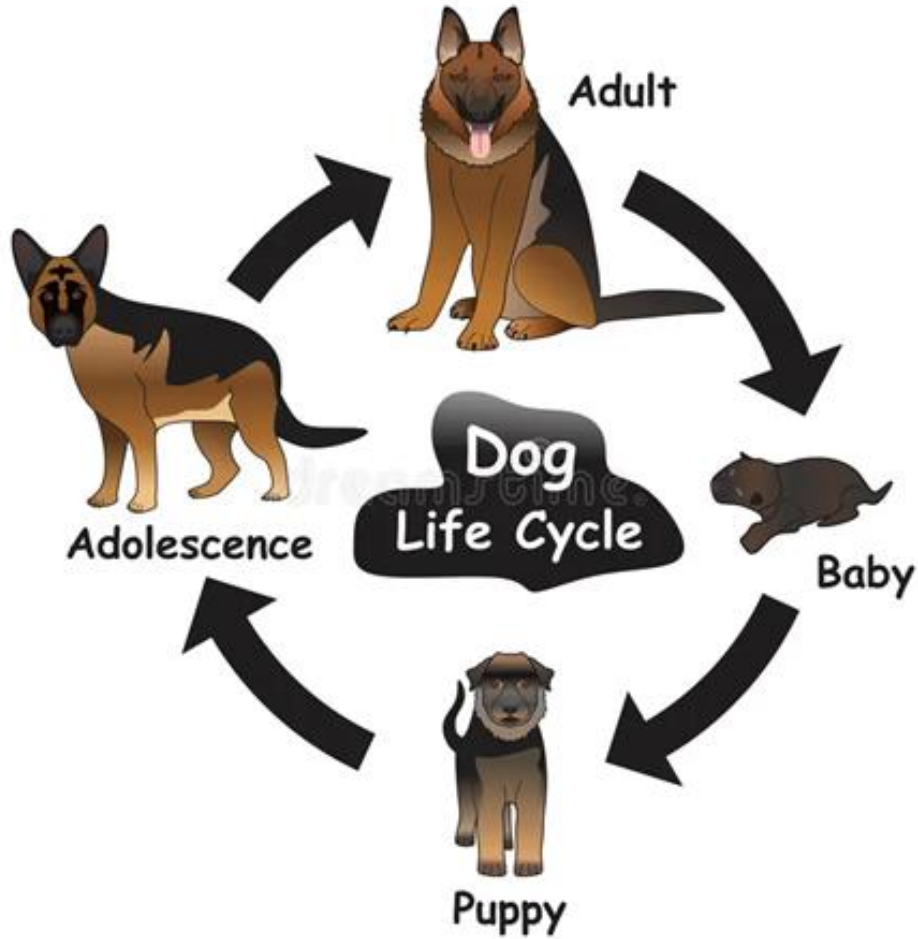

What do you think would happen if humans did not have food to eat? What do you think would happen if humans did not have air to breath?

LQ: Can I identify the growth of animals?

Watch this video and think about all the different things a dog needs to survive.

<https://www.bing.com/videos/riverview/relatedvideo?q=what+does+a+dog+need+to+survive+kids&mid=EB6D096DE32475BC0ED1EB6D096DE32475BC0ED1&FORM=VIRE>

TPs- What basic needs to dogs need to survive?
Does it have any other needs that are not essential?

As a class we are going to think about all the different basic needs of a bird. What do they need to survive?

TPs- What are the basic needs this animal needs to survive?

Does it have any other needs that are not essential?

Other:

LQ: Can I identify the growth of animals?

TASK

1. You are going to draw an animal in your books.
2. Identify and write down all the basic needs for the animal to survive.

Self Assessment

Do you understand what to do?
