

English

We will be reading the stories:

The Tiger Who came to Tea
Marmalade
Be Brave Penguin

English Objectives

- Read non-fiction texts.
- Identify the features of a fact file.
- Discuss what they have learnt.
- Present their findings to their peers.

Writing Activities

- Write an animal fact file.

Phonics

We follow the Little Wandle letters and sounds' programme.

We are on Phase 5 of the programme.

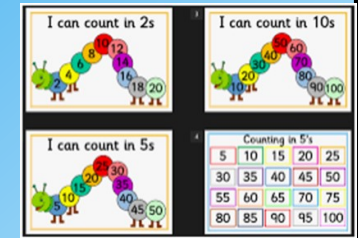

The children will learn the different letters that make one sound as well as the different sounds a group of letters can make.

They will learn new tricky words including Once, laugh, because and eye.

Maths

In Maths this half term we will be focusing on:

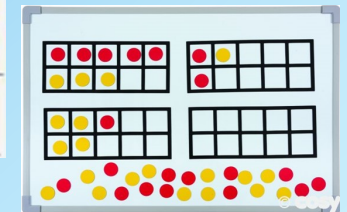

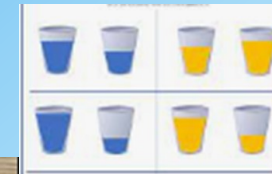

- Counting to 50
- Partitioning within 50
- Multiplication—counting in steps of 2s and 5s
- Introducing length and height
- Introducing weight and volume

Number line.

Tens frame

Reading

The children read with an adult x3 a week in a small group. In the groups they are taught to:

- Identify diagraphs/trigraphs within words.
- Read fluently.
- The meaning of new unfamiliar words.
- Answer questions using the text to help them.
- Explain their answers.
- Opportunities to review books
- Read with expression taking into account of the punctuation.

Science

This term's Science topic is **Animals including humans.**

The children will :

- Identify and name a variety of common animals.
- Name a variety of common animals that are carnivores, herbivores and omnivores
- Describe and compare the structure of a variety of common animals

PE (Physical Education)

Children will continue to take part in a weekly PE session. Sessions will help to develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and as part of a team.

Children can come dressed in their PE kit on the day of their PE lesson.

Children will continue to take part in the 'Daily Mile'. This supports stamina and general exercise.

History

This term's History topic is **Events beyond living memory—Sir David Attenborough**

During this topic the children will learn about Sir David Attenborough and his life as a television presenter.

They will learn about how he has contributed nationally and internationally, contributing to protecting the animal kingdom and nature.

This term's PSHE topic is all about **Going for Goal**

The children will understand that they learn in different ways. They will discuss what they are good at, what they want to achieve.

They will decide on a goal and aim to achieve it.

Year 1's topic for Spring 1 half term:

Paws, Claws & Whiskers

Music

- Identify the style of music and learn the definition of art pop
- Listen to Pop Art music and make comparisons
- Compose music with a partner based on Pop Art
- Sing Pop Art songs

Art

This half term's topic is called

Cultural Patterns

This topic will explore different textures, patterns and prints.

They will experiment with mono printing and develop vocabulary and techniques. The children will also create tie dye prints on t-shirts.

P.E

This term's PE topic is Dance

The children will learn:

- To learn and perform dance skills
- To observe each other's dances and describe what they can see
- To perform simple rhythmic patterns
- To communicate moods and feelings through dance

RE (Religious Education)

This term's R.E topic is all about Religious Leaders

The children will explore 'Religious leaders' from different faiths, discuss what makes a good leader and how to follow the examples of a religious leader.

They will learn about how different religious groups follow their God to live a good life.
