LQ: Can I identify members of my family and understand that there are lots of different types of families?

Steps to success

I know how it feels to belong to a family.

I know how it feels to care about the people who are important to me.

LQ: Can I identify members of my family and understand that there are lots of different types of families?

LQ: Can I identify members of my family and understand that there are lots of different types of families?

Task 1:

Let's play 'The family game'.

You are given a 'family card' - a family of lions, a family of dogs, a family of ducks, etc.

You need to find the 'rest of your family' by making the noise of your family or an action of your family.

You are not allowed to talk!

When you have found your 'family', form a circle holding hands and stop making your noise!

Now the family groups in turn to say together "We are a family of..."

TP: What makes a family? Share ideas.

LQ: Can I identify members of my family and understand that there are lots of different types of families?

Today we are speaking about families.

TP: What is a family?

They are there to love and protect us.

“I’m ... and someone in my family is my.....” (mum, sister, brother, dad, step brother etc.)

LQ: Can I identify members of my family and understand that there are lots of different types of families?

There are all sorts of different types of families and it is perfectly normal to have a different family from other people.

Let's find out more about other types of families.
