# Getting to know the keyboard

*LQ: Can I identify the keys on a keyboard?*

*TP:*

*Where would we find a keyboard?*

*What do we use a keyboard for?*

*How do we communicate with a computer, is there anything we use to communicate?*

*We use things such as our mouse, our voice and sometime our fingers, if it is touch screen , such as a tablet.*

*LQ: Can I identify the keys on a keyboard?*

*Look at this keyboard*

*TP:*

*What do you think the keyboard is use for?*

*LQ: Can I identify the keys on a keyboard?*

*The keyboard is the most useful form of input to a computer.*

*We can type lots of different numbers, letters and symbols, which the computer can understand.*

*Coders type words and numbers on the keyboard and the computer translates it into its “own language”.*

*It can turn the language into things like websites or computer games.*

*LQ: Can I identify the keys on a keyboard?*

*Lets look at the different keys on the keyboard!*

*Now that you know the features of the keyboard lets take the quiz.*

*Turn on your computers and login using your class login*

*Then look for Microsoft word.*

*We are going to practice touch typing.*

*LQ: Can I identify the keys on a keyboard?*

*TP:*

*What do you think touch typing means?*

*Touch typing means typing without looking at the keys on the keyboard.*

*The best way to learn is to practise a little bit everyday, so that you can become quicker and recognise where the letters are.*

*LQ: Can I identify the keys on a keyboard?*

*TP:*

*How many letters do you think you are able to type?*

*Now I would like you and your partner to take turns typing this sentence.*

*'the quick brown fox jumps over the lazy dog'*

*Self Assessment*

*Do you understand what to do?*
