## LQ: Can I feel safe and special in my class?

PSHE rules.

*Because we are talking about important topics we need to follow the circle time rules in PSHE.*

*These rules are:*

- 1. Respect each other in the circle- Only one person can speak at a time. Do not interrupt a person who is speaking. You can pass an object around the circle to help see whose turn it is to talk.*
- 2. You have the right to pass- You do not HAVE to speak only speak if you feel comfortable. If you want to pass when the speaking object is given to, you just pass it on.*
- 3. Confidentiality- Don't use peoples names when telling a story of someone who upset you. Just say "somebody". This is so if the person is one of your friends in the room, they do not feel embarrassed.*

*LQ: Can I feel safe and special in my class?*

*Calm me*

*Ring the chime*

*You can think of  
somewhere calm.*

*Can you stay quiet the  
whole time the chime is  
ringing?*

*You can have your eyes  
open or shut.*

Jigsaw Jack!

This is jigsaw Jack

**Jigsaw!**

Dear children

Part 1

My name is Jigsaw Jack. I am really pleased to be staying with you all the time you are in this class. Because I don't know you yet I feel really nervous and it would help me if you could tell me your names and make me feel welcome.

Children all shout names at once

Part 2

Thank you for telling me your names, I am starting to feel welcome here in class ..... Because school is new to me I wonder if you can help me to feel safe and special.

*(Teacher then asks the children how they might be able to make Jigsaw Jack feel safe and special.)*

Part 3

Thank you for making me feel safe and special. I am really looking forward to being part of your class this year and to coming to all your circle time and Jigsaw lessons.

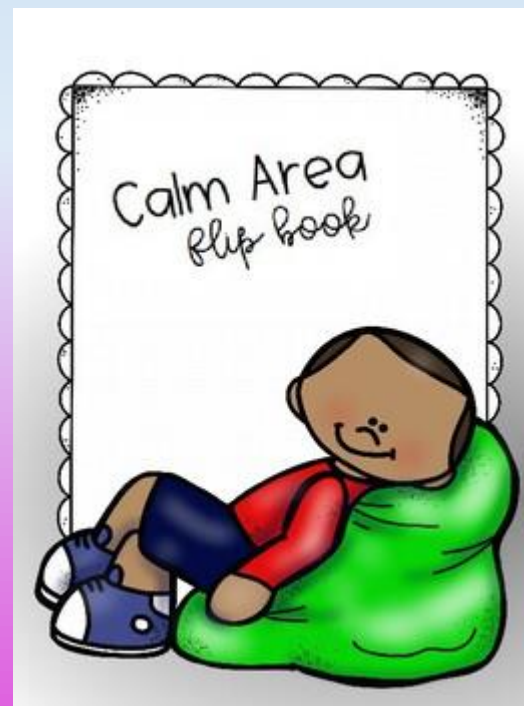

Love from Jigsaw Jack

He will be joining us this year for PSHE

He has written the class a letter. Can you read it?
