**Parts  
of the  
Body Song**

Monday 29th September 2025

*LQ: Can I identify the function of each part of my body?*

Steps to success

*All: I can identify the different parts of my body.*

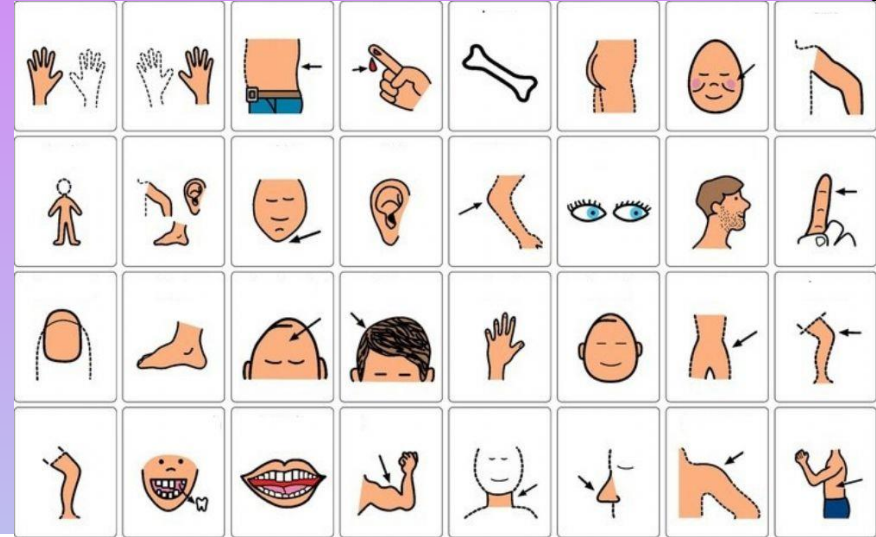

*Most: I can classify which part of my body is linked with each function.*

*Some: I can observe the functions that the different parts of my body can do.*

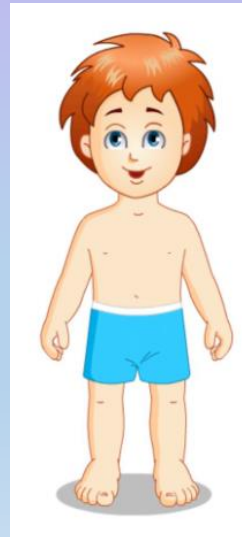

# Star words

Body part

Body

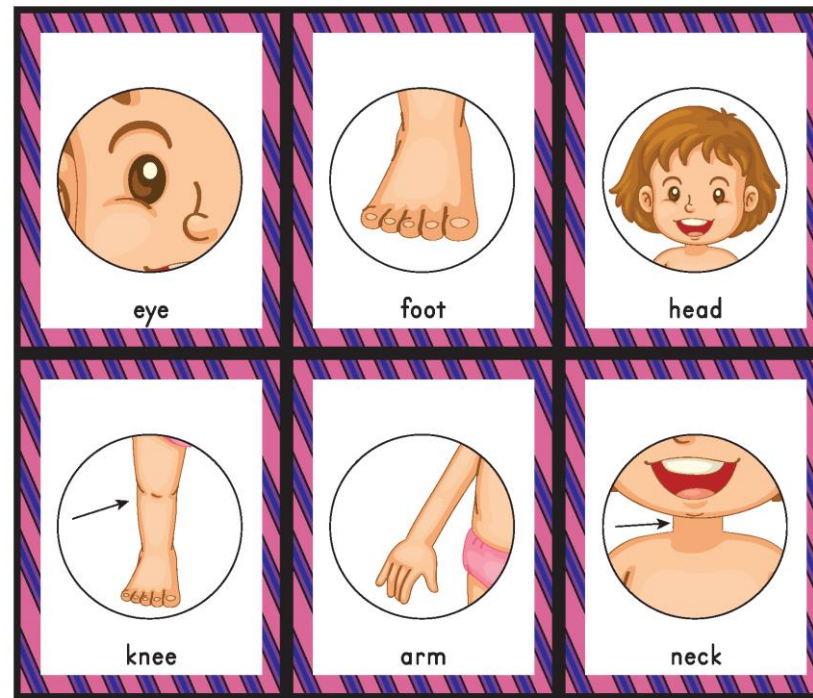

Monday 29th September  
2025

LQ: Can I identify the function of each part of my body?

*Our bodies can do amazing things !!*

*You can run with your feet ! Or wave with your hands!*

**Self Assessment**

Do you know what parts of  
your body can do?

*TP: What else can you do with different parts of your body?*

LQ: Can I identify the function of each part of my body?

Monday 29th September 2025

## TASKS

We are going to go outside, one person is going to pick a card and think of a movement that we can do with that part of our body. Then all of us are going to copy that action in groups.

Don't forget to take a photo

### Self Assessment

Do you understand what to do?
